Antique Market

We are looking for quality sellers, not flea market items.

If you want to clean out your home or estate, do a 1-day show.

We are looking for antiques, glassware, vintage books, records and more.

Arts & Crafts

We are looking for homemade arts & crafts, or trade.

We have limited space so contact us early to save a spot.

You may be required to send us photos of the items you wish to sell.

Festival will provide security.

Parking is not always available at your spot, however it is close by.

1-day vendor spots will be located where space is available.

Crafters and Market vendors could be selling side by side.
